No, it's ok,
I'm a poor
teacher. I can't
afford getting
married and I'm
not really
interested.

Huh?
An
omia?

Yeah
I'm
doing
ok

Hurry up
and make
me some
Grandchil-
dren

I know, I
know, you
don't have
to remind me.

It's not like
I'm going to
be around
forever

You should go
find a wife and
settle down

What
are you
talking
about!?
Look at
how old
you are!

I mean,
even your dad
is still quite
good with his
Buddy!

Huh?

You shouldn't
be using him
all alone. Use
him on
someone
sometimes

What
the
hell!?

Put your
special Buddy
to use instead
of just let-
ting him just
hang there
like junk

Ah!
Wait
mo...

You
should
work hard
like your
father!
Well
then, Bye!

Can't make children there

Mr Kojiro that's the wrong place

Like Kirino?

I'll try hard!

I'm inexperienced But...

So...

Please give me enough cum to make five babies... Right here

But then again, If I wanted a wife it'd be Menchikatsu rather than Kirino...

We can have a group battle then!

Mr Kojiro... I want at least 5 children

And Kirino's a really good girl and she would make a great wife

I, um

LIKE THIS RIGHT?

Like this?

Like this?

Saya ...
Saya's ...
well ...

It's really great that she's enthusiastic about everything... But...

The book in my brother's room said that this feels really good...

Am I doing this again?

How is it?

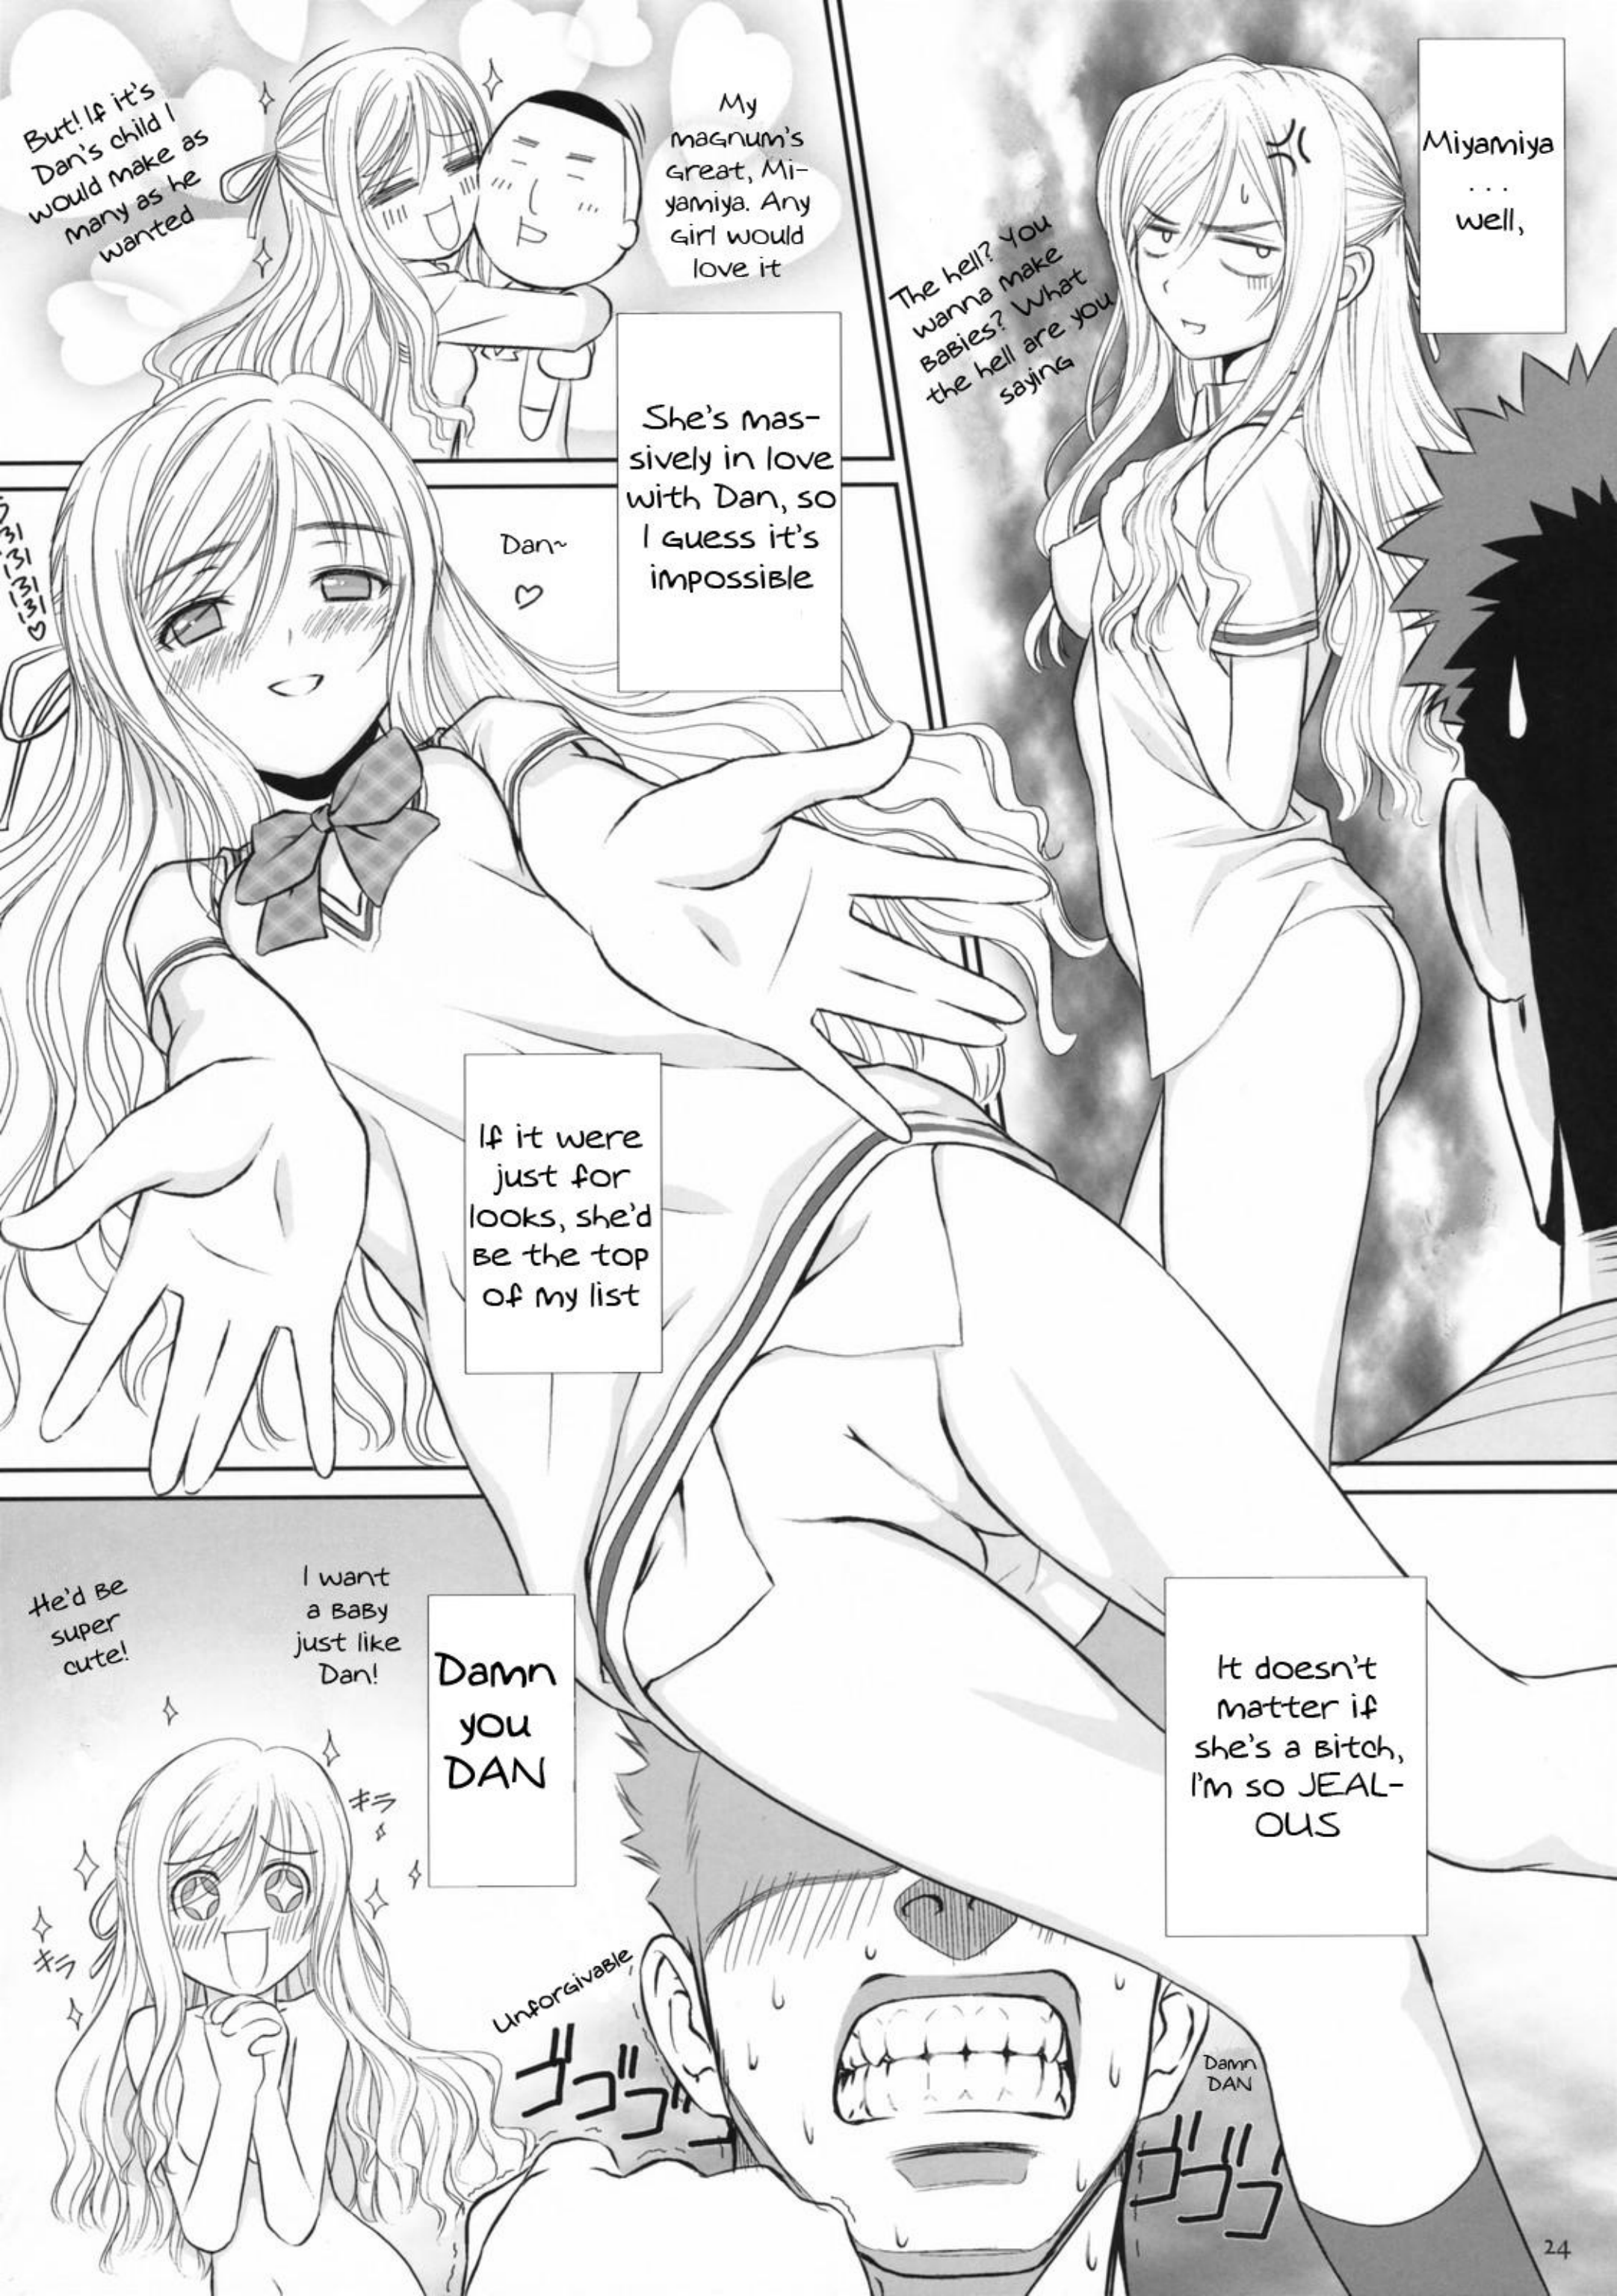

Does it really feel good?

She tends to go to extremes to get her goal

Yeah... not really wife material

We're gonna do it until we get a baby

We're gonna do it all night today

But! If it's Dan's child I would make as many as he wanted

My magnum's great, Miyamiya. Any girl would love it

Miyamiya ... well,

The hell? You wanna make babies? What the hell are you saying

She's massively in love with Dan, so I guess it's impossible

Dan~
♡

If it were just for looks, she'd be the top of my list

He'd be super cute!

I want a Baby just like Dan!

Damn you DAN

It doesn't matter if she's a Bitch, I'm so JEALOUS

Unforgivable
ダババ

Damn DAN
ダババ

Thinking of her
makes me feel
kind of bad
though... she's
such a klutz

Azuma, well
she'd get in
the mood if
you stroked
her ego a bit.

LET'S WORK
HARD TO
MAKE
BABIES

COME ON!

I can't
Beat Tama
at normal
kendo...
But if it
were this
kind of
Kendo...

I
WOULD

NOT

LOSE TO HER
EVER!!!

YOU'RE TOO
STRONG MR
KOJIRO!

ああ
!!

ああん

... SO GOOD!

H-HURRY AND THRUST IT IN HERE!

ONE MORE TIME!
ONCE MORE!

This is part of the unused images ><

あはあ
あっ!!

So good!

あんっ!

It's a bit hard to tell who some of these people are, but this is Fuuka. Even though this is a Bamboo Blade doujin, I wanted to draw her badly. She's so cute, like how her legs are a bit fat and her waist is a bit chubby...

Afterword

It's been a long time, I'm TONY. Thank you for purchasing Kiteruyo! Takeuchi-kun! I didn't have much time this time around, and I kind of regret some of the material. My biggest regret is that I couldn't make the manga section longer. I kept cutting pages so it ended up more as a character introduction. I wanted to write more on Tama... But I really like Miyamiya... with Dan, of course!

They are really cute together. Blah Blah ていただければなーなんて思います。それでは次の夏コミでお会いしましょう。

HxHxH scans

So, first release from HiroshixHimexHentai scans. Could've been released a week earlier, But hey, I'm a lazy Bastard.

Translation: Himeyasha

Rawr Provider: Hell if we know

"Fire" redraw on page 23: Aquafina from SCX-Scans

Everything else: Hiroshi, aka the mofo who made this crappy, rushed credits page

Also, you may have noticed that noone bothered redrawing the Afterword page, for obvious reasons.

Hope you enjoyed it, and remember, Bounty is easier to clean with than Kleenex

Keep fapping,
Hiroshi
